**Renewed Petition Under 37 CFR 1.137(b)**

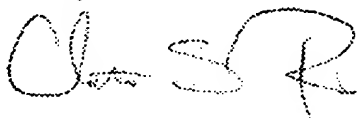

Dear Sir / Madam:

This letter is an additional response to a Decision on Petition Under 37 CFR 1.137(b), which was in response to a Petition for Revival of Application for Patent Abandoned Unintentionally, appl. no. 09/756,157, filed 06 January 2001, docket RCI003V2R.

This petition was dismissed in part (1) due to missing issuance / publication fees, and in part (2) due to the fact that the received petition fee was only \$660, \$90 short of the current fee of \$750. A check for \$90 (check no. 1844 for remaining petition) was cashed by the USPTO on 8/22/2005 and after several inquiries were made in an attempt to locate the missing issuance/publication fees check (which was included with the petition and so marked thereupon), a supplementary credit card payment was made in the amount of \$1000, which was credited to the issuance fee on 8/31/2005.

It is hereby respectfully requested that the petition be reconsidered.

Sincerely,

Christian S. Rode
